

Family Escapes Death When Car Crashes Bridge

Still Another Truck Spills Produce Over Grade

Seven members of a San Luis Obispo family experienced a narrow escape from tragedy Sunday afternoon when their car crashed into a guard rail at Hirschdale and rolled over several times.

Driver of the car, Kenneth D. Boyle, 34, was cited by State Patrolman Roy Stallard for driving at excessive speed and not having his vehicle under control. Stallard reported the car was going east, apparently at a high rate of speed, and was unable to negotiate the curve in the highway.

Mrs. Mary Boyle suffered major injuries and one of their five children, Donald Boyle, one, was treated for minor hurts as was the driver. They were taken to the Tahoe Forest Hospital for first aid and later removed to Reno by the Truckee Ambulance.

The other Boyle children, Tommy, 6, Marilyn, 4, Patrick, 2½, and Bryan, 3 weeks, escaped without injury. The car was virtually demolished.

Falls Asleep

Raymond J. Spires, North Sacramento, and Charles Edward Anderson, Sacramento, were treated at the local hospital Saturday morning when a one-ton truck driven by the latter plunged over an embankment one and a half miles east of Cisco and was wrecked in the rocks.

The truck barely missed landing in the Yuba River.

State Patrolman Carroll Maynard cited Anderson for driving without due caution and not having his truck under control. Anderson said he must have fallen asleep at the wheel.

In a mishap Friday evening at 6:55, Arthur Couillard of Soda Springs and Captain Henry John Igielski, 33, Sacramento, escaped injuries when the pickup driven by the former sideswiped the Igielski car in making a pass, causing the Couillard vehicle to overturn. Officer Maynard said he would cite the driver for cutting in.

Woman Hurt

Mrs. Lydia O'Neill, general delivery, Truckee, suffered minor injuries Wednesday morning at the east intersecting road into Meadow Park a mile west of here when the pickup driven by her husband, Louis, was struck by a car driven by Paul D. Blakeman of Sacramento. The latter was cited by Patrolman Stallard for making a bad pass.

O'Neill was turning off the highway onto the Meadow Park road when Blakeman attempted to pass, the crash resulting.

Truck Wreck

Another truckload of fresh vegetables went off the Donner Grade this morning and the driver, Clarence Homer Orum, 34, El Monte, and a passenger, Walter Yost, 31, Los Angeles, were taken to the Tahoe Forest Hospital for treatment of minor injuries.

The accident occurred near the same place where three other produce trucks were wrecked this spring.

JOINT MEETING OF LIONS HELD

Between 250 and 300 Lions from a number of clubs throughout this area and Sacramento gathered at Cal-Vada Lodge at Lake Tahoe on Tuesday night where the Tahoe Lions Club were hosts at the entertaining affair. Following the dinner and floor show, Beryl Babcock of Sacramento, a candidate for international director at the Chicago convention, gave a short talk. There were 35 Truckee members in attendance and all reported a good time.

MOVIES SCHEDULED AT TRUCKEE CHURCH

Rev. Sidney C. Winston of the Community Methodist Church at Truckee announces a movie program will be held at the church edifice Saturday evening at 7 p.m. "Journey into Faith" will be shown. The emphasis of the picture is on youth so young people of the community are especially invited to attend. However, everyone will be welcome, Rev. Winston said.

SPORTSMEN WILL MEET TOMORROW

The Truckee Outdoor Sportsmen will hold a meeting Friday night, June 26, in Capitol Hall at 7 o'clock. This will be the last meeting of the club's fiscal year and H. "Johnny" Clardella will preside for the last time after three years as president. Charlie Osburn will become president of the group in July.

Refreshments will be served.

Season's First Forest Fire Is Reported Here

The first forest fire of the 1953 season was reported by officials of the Tahoe National Forest here Friday.

A fire half a mile north and west of Carnelian Bay burned over a spot 50 by 100 feet before it was extinguished by the suppression crews from Tahoe and Truckee under the direction of Nelson Stone. Loggers working in the area assisted in the fire fighting and the loss was held to a minimum.

Burning debris which got out of control was blamed for the incipient blaze which started at 2 o'clock.

Forest service officials are reiterating a warning to all who use the forests that from now on there is a critical danger of fire and urge extreme care in handling fires, matches and burning materials.

Last season the Truckee district was exceptionally fortunate in not having a major conflagration and this was possible only through a constant vigilance by both the public and forest service employees. It is hoped that this record can be maintained this year.

FOURTH PLANS BY CHAMBER AT JUNE 30 MEET

Because of conflicting dates, the meeting of the Truckee Chamber of Commerce scheduled for Tuesday was postponed until June 30 when a dinner meeting will be held at Brown's.

At that time plans will be completed for the Independence Day program to be held at the west end of Donner Lake, starting at 7:30 o'clock when games for the children will be held under the auspices of the 20-30 Club. This will be followed by two hours of fireworks on the beach starting at 9 p.m.

Dancing on the pavilion will conclude the evening's entertainment sponsored by the chamber.

The 20-30 Club will be in charge of the refreshment stands which will be open all evening serving hot dogs and soft drinks. Proceeds from this part of the program will be used for community projects sponsored by the club.

Rex Reid and Earl Stice are in charge of the fireworks and arrangements. Cliff Ellis, president of the chamber, will preside at next Tuesday's meeting and all members are asked to attend as other matters of importance to the community are slated for discussion.

BROWNIES ENJOY HIKE AND PICNIC

A picnic lunch and hike to the meadow above the U. S. Forest Ranger Station were enjoyed by Brownie Troop No. 1 Monday. The girls will take part in a series of outdoor excursions and on the recent one they studied wild flowers and trees of the forest, learned to mark trails, set up camp and waded in a nearby creek.

Mrs. Harry Barnes and Mrs. Fred Pedley accompanied the group of 12 who collected pine cones to be made into favors for hospital patients.

STATE SEEKS TO ADD TO PARK

Ten acres of land at the east end of Donner Lake are wanted by the state park commission to "complete, properly administer and maintain" the Donner Memorial State Park.

To obtain this tract, Attorney General Edmund Brown filed a condemnation suit in the Nevada County superior court this week.

Named as defendant property owners are A. J. Rupley Jr., Mary Ruple, Donner Lake Development Company, Corporation of America, First National Bank of Nevada, T. L. Chamberlain and Inter-County Title Company.

SON ARRIVES FOR SMISEK FAMILY

Mr. and Mrs. Leo Smisek welcomed their first son at Reno on Wednesday, June 17. The boy has been named Milton Edward and weighed 6 pounds 3½ ounces upon arrival.

Truckee Loses To Fallon; Will Face Verdi Here

Locals Lose in See - Saw Contest to Nevada Team

Truckee was defeated by a single run margin in the first game of the 1953 season on the home diamond Sunday by the Fallon Merchants, who had squeezed by with a similar margin the week before in Fallon. The final score of the ten-inning contest was 13 to 12.

Next Sunday, Truckee will host Verdi on the local diamond with the game scheduled to start at 2:30.

Truckee pitcher Burt Munson started the first inning weakly by giving up two hits and three walks. However, a freak double play and a strike out wiped out the side with only one tally crossing the plate. When Truckee came up, shortstop Billy Campbell struck out and Munson hit a long fly ball to the center fielder. Then the Fallon chucker, J. Daniels, hit catcher Ed (Nuke) Frates. Frates came home ahead of first baseman Burt Domgaard who swatted a four-stacker, giving Truckee a 2-1 edge.

And that was the pattern of the rest of the game, with the lead changing frequently. Munson quickly recovered, struck out 15 Fallon batters to match Daniels in that department. In addition, the local pitcher was one of two leading batters for the mountain men, getting four hits in six trips and scoring three times. Domgaard put three more hits with his homer to get four for six and two runs. Campbell also got a homer in the seventh, along with a double and a single, hitting three for six and scoring three.

Truckee's lineup also included Al Wakefield at second, Karl Kielhofer at third, Jack Lambres, Mike Goicoa, Layne Farrar, Ralph Garcia in the outfield. Manager John Rau went in to pinch hit in the last of the tenth but failed to connect.

Jerry Gaines, Fallon left fielder and one of three brothers on the Nevada aggregation, wielded the heavy stick for his squad, collecting four for six. While Fallon's heaviest hitter failed to score, the man with the most tallies—Daniels, the chucker—did not have a single hit. Officially he went 0 for 3. He reached first after being hit by a pitched ball, walking and on an error, scoring each time. In his two other trips he struck out.

The short score: R H E
Fallon 13 11 4
Truckee 12 15 4
Daniels and Ferguson; Munson and Frates.

The score by innings:
Fallon 130 230 003 1-13
Truckee 200 403 111 0-12
Umpires: R. Rockholm, F. Giovannoni, G. Lamb.

CLOTHING STOLEN FROM PARKED CAR

Mel A. Thornton of Truckee reported to the Sacramento police that someone entered his car when it was in a parking lot at 1215 K Street and stole a suitcase and clothing valued at \$200.

VIRGINIA BARNES PARTY HONOREE

Virginia Barnes, daughter of Mr. and Mrs. Harry Barnes, was feted at a party Wednesday, June 24, to celebrate her 8th birthday. Chocolate cake, ice cream and punch were enjoyed by the following friends:

Diana Kaspian, Carolyn Smisek, Mary Ann Miller, Kattie and Terry Ellis, Shirley Patton, Kathryn Ann Barrett and Donna Barnes.

WYETHIA MEETS NEXT JULY 3RD

The next regular meeting of the Wyethia Club will be held at 8 p.m. July 3, featuring a typical 4th of July celebration during the social hour.

Members are requested to take their contributions for the fair booths. Boxes for them are now being placed in the building.

Sun Beams

by WALTER BARRETT

The first forest fire in the Truckee district of the Tahoe National Forest should serve as a reminder that the long winter is now over and once more the area is faced with the possibility of disastrous fires unless extreme caution is exercised. It is easy to start a major conflagration but it is just as easy and a lot more sensible to prevent one. By following the few simple rules set out by the U. S. Forest Service, 90 per cent of the fires in the forests could be prevented. It is unfortunate that some users of the forests fall miserably to follow these rules and as a result the loss annually is terrific. Rules and laws governing the use of fire in the forests are available from forest service officials and unless you are familiar with them, then may we suggest that you contact the forest service and study them carefully before entering the forests? The one we think most frequently violated is the law governing the throwing of cigarettes and similar materials from cars traveling along the highways. Ash trays were built into cars for the convenience of the smoker and should be used. It is only a bit more trouble to place burning tobacco in the ash tray than it is to toss it carelessly beside the highway—and believe us, it is a lot safer.

RED CROSS WILL DISCUSS BUDGET AT LOCAL MEET

The executive board, advisory board and everyone else interested in the Truckee branch of the American Red Cross will meet tonight at 8 o'clock at the office of the justice court to discuss current problems, fix the budget for the new year which starts July 1 and attend other important business.

Of particular interest will be the disbursement of funds for the year and the method for obtaining sufficient capital to carry on the work in this area, Mr. F. W. Wilson, relief chairman, announced.

HIGHWAY MEASURE AWAITS GOVERNOR

SACRAMENTO—Senator Harold Johnson's bill to create a \$20,000,000 fund to be matched by the same amount from the federal government for construction of a four-lane all-weather military highway route over the Sierra is among over 900 other bills passed by the state legislature in its closing days and awaiting action by Governor Earl Warren.

"No bill is receiving special treatment," Beach Vasey, legislative secretary to the governor, said. "The governor will have until July 15 to act on some 950 bills passed in the closing days of the session. All I can say is that the bill (SB 1977) has not been signed and they has not been vetoed."

TENNIS TOURNAMENT AT SQUAW VALLEY

TAHOE CITY—The first annual Squaw Valley invitational tennis tournament will be held Saturday and Sunday, June 27-28. Matches will start on the resort's court around 9:30 a.m. and semi-finals and finals will continue through most of Sunday. The tournament is sponsored by the National Committee of Lawn Tennis Association and trophies will be awarded the winners. The public is invited.

AT LOYND'S

Two additional pharmacists have been added to the staff of Loynd's Truckee Drug for the season. They are Frederick Ulrich and Frank Thompson, both graduates of the University of Utah.

Happy Days—

Joe Copeland celebrated his birthday on June 21. Charles Glenn celebrated his birthday June 17.

Open Home—

Mr. and Mrs. J. E. Kaler of Sacramento have opened their home here for the summer.

Fire Protection District Denied To North Tahoe

Placer County Board Denies Petition For District

AUBURN—The supervisors of Placer County rejected the petition to form a North Tahoe Fire Protection District on the northeast shore of Lake Tahoe.

The action was taken unanimously on the motion of Supervisor J. B. Paolini, following a two hour public hearing in the court house. Paolini stated that if the petitioners revised their petition and formed a smaller district, he would be willing to give the matter further consideration.

T. L. James, president of the North Tahoe Taxpayers Association, led the opposition.

"The tax burden in the area is already excessive," he said. "Formation of this district would increase it."

H. O. Comstock of Brockway estimated it would take \$75,000 to start the district.

David Gilmore, a spokesman for the proponents, denied the \$75,000 figure. He said a tax of 10 cents on \$100 of assessed valuation and a pay as you go policy for financing the district would insure success.

RECEPTION FOR NEW PASTOR IS SET FOR SUNDAY

Rev. and Mrs. Henry C. Winston who recently arrived here to take over the pastorate of the Community Methodist Church will be honored at a reception to follow a special service Sunday morning at 11 a.m.

The new pastor occupied the local pulpit Sunday for the first time and despite some confusion in the starting time, a large attendance greeted him.

The service next Sunday will be held at 11 o'clock and will honor the founder of the Methodist Church, John Wesley. Sunday school will convene at 9:45 a.m. The public is invited to attend all services.

ROAD FUND GETS ASSIST AS STATE PROFFERS MONEY

There may be more money available for use on county roads as a result of two rulings reported to the board of supervisors last week.

In the first place, a letter from the state association of supervisors announced that with the governor's signature, a bill making \$32,052 available annually to Nevada County for the next ten years, will become a law. This money may be used, among other things, to match federal funds for secondary roads. This money was lost to the county in recent years because of the inability to match federal funds but the new law, if signed, will provide this matching sum from the state.

A letter was written to Governor Earl Warren, urging his signature.

The second prospect came with the announcement that the state has extended the deadline for applying for Chapters 20 and 47 funds to June 30, 1955.

Road Commissioner Charles Smith told the board there was ample money left in the treasury this year to go ahead with needed road repair and oiling and he was given free rein to proceed with the necessary work.

WARDMAN SPEAKS AT TAHOE SESSION

TAHOE CITY—John Wardman, administrator of the Tahoe Forest District Hospital, spoke at the noon meeting of the Tahoe City Rotary Club Tuesday at Tahoe Inn. He traced the progress of the institution from the ground breaking to date. President Denis Sach presided.

The summer season brought out the usual large number of visitors and there were a total of 40 members and visitors present. In fact, the latter outnumbered the locals.

H. J. Dalton of Utah recently visited Truckee friends.

Road At Emerald Bay Is Open As Slide Is Removed

Crews Working to Reopen Highway for All Traffic

Controlled traffic is permitted to pass over the Emerald Bay portion of Highway 89 and division of highway officials announced the possibility that the control can be removed and normal traffic resumed by the end of this week.

The latter possibility contingent upon the progress of the crews continuing to work on the slide area and upon the behavior of the slide itself.

Currently travel over the short distance is permitted only between 8 a.m. and 8 p.m. daily. This limited use, however, allows for cars and supply trucks to go to and from the resorts and communities in the district with only occasional short delays.

It was at first feared the scope of the slide area might prevent opening the road for perhaps weeks, but a state geologist made a study of the situation and gave the go ahead signal. Under the direction of Superintendent Frank Fox, crews immediately moved in and by the use of ropes and ladders started cutting into the portion of the earth and rocks which had covered the road, at the same time maintaining a sharp lookout above the road with prearranged signals in event the main body of the huge mass above the road started moving. Dynamite was employed to remove much of this threatening mass.

It is believed now that with the clearing of the highway, the passage along the route will be as safe as ever. The geologist advised that the slide which threatens to come down the mountain into Emerald Bay has possibly been opened for a number of years but had not been previously so noticeable.

The road was covered with a gigantic slide May 24 but crews immediately went to work and soon had the lateral reopened. But the next day the hillside moved in earnest and covered the road again with an estimated 4,000 yards of dirt, trees and rocks. It was this latter earth movement that presented the unhappy picture to the division of highways crews and officials. It was held extremely risky to move even the slightest amount before a thorough study was made by those familiar with such conditions.

Resort owners in the area are pleased over the turn of events which will permit unrestricted travel just as soon as the control is lifted.

NEW OFFICERS OF ROTARY WILL BE INSTALLED SOON

The Truckee Rotary Club will hold their demotion exercise with a ladies night meeting at Donner Lake Lodge next Monday night at 7 p.m.

President Charles Osburn will preside over his last meeting which will include a demotion ceremony for him. Incoming President Johnny Richards and Secretary Orval A. Vaughan will attend a district meeting to be held at Auburn on June 25, 26 and 27 before assuming their duties at the following meeting.

William Englehart Sr. provided the entertainment at the regular meeting last Monday. He showed a movie and gave a narration of his trip through the "Deep South" last winter. Guests at the meeting were Rev. S. C. Winston of Truckee, Robert Wray of Tahoe City and Robert Wolf of Kings Beach.

C. A. Scholl of Death Valley is chairman of the Lahontan board and C. Edmunds of Truckee is the only local member.

ROSS BUELL GETS O.K. FROM SENATE

The United States Senate this week approved the appointment of Ross Buell as director of the San Francisco mint. The appointment had previously been made by President Eisenhower. The new official is a son-in-law of Mr. and Mrs. C. Edmunds of Truckee and often visits here with his family.

FOOD SALE FOR BENEFIT PLANNED

Mrs. Eugene Ridsen, president of the Woman's Society of Christian Service, announced that a food sale will be held tomorrow morning, June 26, at 10 a.m. at Duane's Donut Shop in Truckee. The public is urged to attend as there will be a fine variety of food to choose from.

VALENTINES HERE

Mr. and Mrs. C. O. Valentine, former resort owners and for many years residents at Lake Tahoe, were here last week visiting with friends from their home at Costa Mesa. The Valentines, since selling their Tahoe property, have enjoyed touring interesting parts of the world.

The truck to be used is being furnished by George Kaspian.

A Truckee float, depicting the safety theme, will be entered in coming to Mrs. Fred Pedley. Local Brownies and Girl Scouts will assist in the decorating Monday, June 29.

The truck to be used is being furnished by George Kaspian.

NORTH TAHOE

by THELMA BURROUGHS
Rejection of the proposed fire protection district for North Tahoe did not come as a complete surprise to those civic minded persons who fought the valiant fight all the way through. Some people at this end of our beautiful lake obviously do not realize that the vote against a fire protection district has resulted in a step backward. The one truck available was purchased on a contract basis with the down payment being taken care of through dinners provided by civic minded workers in our area and given by the clubs plus contributions from property owners. This amounted to enough in addition to the down payment on the truck to allow for purchase of needed equipment and insurance for the volunteer firemen. In order to continue payments on the truck, procure more necessary equipment and provide adequate housing for the truck it became evident that, in order to equitably distribute the cost of this, a public fire protection district would be a fair result for all concerned. Some could not see that it is impossible for a few to continue working, planning, managing to keep this small fire fighting unit available without each and every property owner doing his fair share. As a result, there are no funds for payment coming due on said truck this June 28.

H. E. Waldron of Boston, Mass., was a weekend guest in the Judge Harry Charrison home. Waldron, on his way to a business venture in Las Vegas, was so thrilled with the lake that he intends to come back and hopes to be in a position to make his home here.

Mrs. Arnold W. Miedema is at home again after a long stay in Venice, Calif., where she and her sister, Madeleine, have been looking after their parents who are ill. The girls brought their parents to the Miedema home in Kings Beach where it is hoped they will soon enjoy good health again.

Judge Charrison says it is a sign of the times when you see a line up at his desk in Tahoe City. Oh, yes, and mostly traffic violations. So, be careful advises the judge. Remember the sign that still reads "Go slow and see the lake—Go fast and see the judge."

Mr. and Mrs. Aaron Abbott with their small son Mitchell are guests of Aaron's parents, the A. E. Abbotts, for a couple of weeks, having arrived on Wednesday. It's pretty hot in Bakersfield where they came from.

Mr. and Mrs. Fred Kirk of Tahoe Vista journeyed to Sacramento, their former home, last Sunday to attend the funeral of his father, a long time resident of Sacramento. The Kirks returned Tuesday evening.

Cliff Johnson of Merced is a guest of his Aunt Thelma and

Uncle Mack so long as he helps with the work around their place. You know these good summer days just naturally bring a long of company to most homes at Tahoe.

Barbara and Eugene Painter and Cliff Johnson asked a few of their friends in to enjoy with them a weiner roast and a marshmallow toast last Wednesday evening at The Burroughs.

Recently Mr. and Mrs. Robert Moore and infant son, Larry, all of San Francisco, were guests of the Walt Bailey family at Tahoe Vista. Moore, cameraman at KGO-TV, is Janice's brother.

The Lake Tahoe Archery Club has completed its remaining seven targets, making a total of 14. The club shoots every Wednesday evening, beginning at about six o'clock and guests are welcome.

Petite and lovely Florence Miles with her son Douglas and his girl friend, Theresa Joyce, were up last weekend to see Camy, Bill and Chris Althof, and saying hello to friends. Chris went home with his grandmother, Florence, for a nice visit down Palo Alto way.

We're all so glad to have Mrs. Bill Randall of Carnelian Bay—"Winkie"—back home again following her two weeks sojourn at St. Mary's hospital in Reno.

Mr. and Mrs. Jeff Clair of Oakland were last weekend guests of Kay and Ira Blair in Kings Beach.

Our highway again takes on the semblance of a boulevard with increased traffic daily. Yes, the time has come when we have to watch for that chance to get across the road.

For those who still read the Sierra Sun but haven't been back to the lake for a while, when you do come up, it's the right place all right. We've simply gone a little modern with neon signs and green grass lawns that can compete successfully with many a city site. Some even have paved walks. As a whole the entire lake area is definitely on the up-grade.

Mildred and Monty Beesley have returned to their southern Cali-

fornia home after two or three good weeks at their Tahoe Vista cottage. Monty, one of the best fishermen on the lake, had exceptionally fine luck bringing in the limit almost every day.

Sunday school and church services will be held each Sunday at the open air chapel on Bear Street in Kings Beach at 9:45 and 11 o'clock in the morning respectively.

Thursday evening, June 25, a pot luck supper will be served at the chapel to welcome the new pastor, Rev. Sidney Winston, his wife and two children. Eugene H. Riden of Truckee spoke the service last Sunday and will deliver the message for next Sunday, after which Rev. Winston will preside at the services.

The Woman's Society of Christian Service will meet each Tuesday afternoon at the chapel during the summer months. There will be a meeting of the young people one evening each week.

Visiting Lake Tahoe this summer are Mr. and Mrs. Robert Kimble, owners of the Bob Kimble School of Dance of New Jersey. The Kimbles, with son Jeffrey, are spending the summer with Mrs. Kimble's sister and brother-in-law, Mr. and Mrs. Lee Madden of Tahoe Vista. Kimble plans opening a summer branch of his studio at Lake Tahoe, specializing in children's tap and ballet, starting classes next Wednesday at Carpenter's Hall in Kings Beach.

Lee Madden of Tahoe Vista is happy to announce that vacationers at beautiful Lake Tahoe and residents alike can now send their children on overnight hiking and fishing trips. There will be planned outings with competent guides for both children and adults to the many lakes in the back country. All food, sleeping bags, etc., are

My Place in the Sun

ANNOUNCEMENT

The people of California, through their duly elected representatives, have indicated that they are now in favor of the closing of the banks of this state on Saturdays. A law giving effect to this has been enacted by the California Legislature and approved by the Governor.

Various banking institutions in California have been observing Saturday closing for some time, but Bank of America has continued to operate all its branches on that day, consistently following its long standing policy of providing its customers with Saturday banking service until such time as the people, either directly or through their chosen representatives, determined that a change should be made.

Such a determination now having been reached, this bank accordingly will discontinue its Saturday banking service, effective Saturday, July 11, 1953.

TAHOE TOPICS

by ETHEL J. VERNON

Beautiful weather has recently settled down at Tahoe, unbroken by any disturbance, except for a short electrical storm about a week ago, which lasted about two hours and acted as a refreshing aid to summer leaves, grass and flowers. Throngs of tourists and summer residents visit Tahoe City daily and their cars fill the parking

spaces and keep the highways busy.

A letter this week from a former old time Tahoeite, Mrs. Betty Stevens, who for several years has resided in San Francisco, tells of the serious and lingering illness of another Tahoe residents of the 1920's. She is Mrs. Alma Pierson, wife of Si Pierson, one-time manager of the old Mercantile Store which burned on the lake shore commons in 1937. Mrs. Pierson has been ill for some months and is

now confined to a hospital bed. Mrs. Stevens suggests that the sick woman would probably appreciate hearing from old friends. Anyone who knew her in the old days is urged to drop a cheering line or two to Mrs. Alma Pierson, Providence Hospital, Oakland, Calif.

Bob Scates, says that Tahoe's pioneer horseman, Bob Souther, is now retired and living on his own ranch near Phoenix, Arizona. Old Bob, a beloved her of all the Tahoe children in the 1920's, is in good health and spends his time in the peace and quiet of the life he loves.

Mrs. Anne Anderson and Mrs. C. W. Vernon spent some time on Friday moving a case of Tahoe mementoes and souvenirs from the community center to the new Julia Becholdt Memorial Library, where the historical pieces can be displayed to better advantage. A few of the interesting pieces include a book of photos of scenes, buildings and persons from the distant past—some as far back as the mid-1880's, a booklet titled "Story of Tahoe," a printed poem composed and autographed by Arthur James, nephew of the outlaw Jesse James, and many other items. The poem is titled "The Pathfinder" and was written about Tahoe's well known pioneer, Robert M. Watson.

A letter from Master Sergeant Helen M. Schuyler, stationed with the 3rd Air Force in England, tells of a first hand view of the Coronation ceremonies. She says it was all so grand and glorious as to be almost indescribable, and also that the English TV reproductions in color far surpass our American TV records. Helen also describes in detail a tour of the English coast, on top of the White Cliffs, and viewing from there the Dover Straits and the bay with its variety of sailing ships. Helen says, however, that she is still homesick for Tahoe and will be glad to see her native land again.

Crews are working, with road building equipment, on an improvement project on Lake View Drive in Tahoe City and along the main thoroughfare which centers the Fairways home tract. They are widening and regreeding these streets and have felled several trees along them which were either dangerously leaning or otherwise infringing on the roadways.

Mr. and Mrs. C. O. Valentine, old time Tahoe residents who at present reside at Costa Mesa, spent the past week on a round-about trip to Tahoe by way of several Nevada points and Truckee. They spent the weekend in and around Tahoe City, looking over their former lake shore home and place of

business, and visiting many of their old friends who still reside here.

House guests during the past weekend at the Tahoe Park home of Mr. and Mrs. Phil Geier were Mr. and Mrs. Arthur Kline and son Arthur Jr. of Phoenix, Arizona. Mrs. Kline is Mrs. Geier's cousin and the two had not met in the past 28 years. Arthur Jr. has recently graduated from the University of California as an electronics engineer and will soon take a position with the research department of RCA in Los Angeles.

"Fernmore," the beautiful lake shore home of the Calvin Moores of San Francisco, was opened for the summer season last week. Mr. and Mrs. Moore and their son and daughter are now settled there for a long vacation. Moore is a member of a San Francisco ship building firm, Moore Dry Dock Co.

Mrs. Ed Bosen spent a few days last week on a trip to visit her mother in Temple City.

Mr. and Mrs. George Norris of Oakland were house guests over the weekend of Mr. and Mrs. How-Guth of Tahoe Lodge. Mrs. Norris and Mrs. Guth, girlhood friends, hadn't seen one another for the past seven years. Norris is a member of the U. S. Gypsum Company at Oakland.

House guests over the weekend of Mr. and Mrs. Charles Spalding included Mr. and Mrs. Ted Callahan of Reno, Mr. and Mrs. Theodore Cox of Folsom, Mr. and Mrs. Charles Trapp and son Gary of Sacramento. Mrs. Trapp and Mrs. Callahan are daughters of the Spaldings and their weekend here was especially to celebrate Father's Day. Gary remained here when his parents left and will spend the summer with his grandparents.

Mr. and Mrs. Otto Darlin, who recently built a new cottage on the cliffs at Tahoe City, are now settled in the completed home, with their two sons, for the summer.

Mr. and Mrs. Gardner Mein of Woodside spent a few days last week at the W. W. Mein home at Tahoe Park.

Mrs. Henry Poett Sr. of the bay area has opened her home on the Poett estate at Sunnyside. She has as guests her sister, Mrs. J. Timlow and daughter of Oakland.

Mr. and Mrs. H. J. Santo of Lafayette are in for the summer at their home on the cliffs at Tahoe City.

Mr. and Mrs. Mervyn L. Brenner of San Francisco have opened their summer home at Homewood this week.

Mrs. M. Pollock and son Allan of Sacramento are in their Sunnyside home for the season.

SOUTH STATE PAIR ARE MARRIED BY JUDGE CHARRISON

KINGS BEACH—A very pretty wedding took place at Kings Beach last Saturday, June 20, with Stephen Seprih of Compton and Darlene Dixie Olmstead of Riverside took the marriage vows. Judge Harry Charrison performed the ceremony at his home, which was prettily decorated for the occasion.

Jack Inskip acted as best man and Mary Miller attended the bride. Both were from Los Angeles.

After the ceremony the happy couple returned to Stevenson's Holiday Inn at Kings Beach where they were to spend their honeymoon, before returning to Compton where they will make their home. (hc)

BREHLERS PARENTS OF SON SATURDAY

TAHOE CITY—At 12:30 Saturday, June 20, at Tahoe Forest Hospital, a son was born to Mr. and Mrs. James Brehler of Tahoe City. He is the Brehlers' first born and weighed in at slightly over seven pounds. The boy has been named William James. (ejv)

SIERRA SUN ADS PAY!

RENO MAN FINED AS FIRE SPREADS

KINGS BEACH—William G. Van Dyke of Reno, owner of the Van Dyke Tree Surgery Co., appeared before Judge Harry Charrison of Tahoe District Court in Tahoe City to answer charge of

allowing a fire to spread on the property of Duncan Davis at Carnelian Bay, for which a fine of \$75 was levied. A charge will also be made for services of the fire equipment and men that were called to the area. Clarence S. Beavers of the U. S. Forest Service was the complaining officer.

The following paid speeding fines in the Tahoe City court this week: Peter B. Nouman, Piedmont; Forester F. Brown, Los Angeles; R. G. Stevenson, Piedmont; Maxine Parsons, Oakland; Don Francis, Willows; Oren L. Stevenson, Truckee; Eugene Creveling, Reno; Wm. E. Tobin, Sacramento; Chas. H. Miller, Sacramento; John E. Reid, Reno; Philip Gutierrez, Pasadena. There were also a few fines for boulevard stop and parking violators. (hc)

SUPPORT A MOUSE FOR \$5.00 A YEAR, CONQUER CANCER

"Could you support a mouse for a year?" asks John Finnegan, campaign chairman at Truckee for the American Cancer Society. He wouldn't be an ordinary mouse. This is one mouse with a pedigree. For a hundred generations, scientists have been studying this mouse's forebears to see what part, if any, heredity plays in cancer. To feed and shelter this mouse for 365 will cost \$5. The American Cancer Society supports thousands of such mice who are vitally important to many areas of cancer research. And the American Cancer Society finances the work of the scientists who work with them.

"If each of us will just support a mouse, or two or three, for a year," Finnegan concluded, "sufficient funds for this important fight against cancer will be raised. Cancer strikes one in five—strike back—give. Send your gift to American Cancer Society, Truckee, California."

BROADWAY HIT AT MUSIC CIRCUS IN SACRAMENTO

SACRAMENTO—"High Button Shoes," the musical comedy that scored sensationally on Broadway, will open at Sacramento Music Circus Monday, June 29 and run through July 5. It will be the third of ten productions in the circus tent theater at 15th and H Streets during this third annual season.

"High Button Shoes" will bring back to the Music Circus two of the most beloved comics in musical comedy, Dorothy Stone and Charles Collins. The cast will also include Jack Goode, William Meigs and Yvonne Chaveau.

Stone and Collins won the hearts of both young and old with their performances in last year's Music Circus production of "The Wizard of Oz." They also appeared during the first Music Circus season.

"High Button Shoes" revolves about the attempts of a small time "con" man to embezzle the people in his home town with areal estate deal. He wins the friendship of the Longstreet family. Mama and Papa Longstreet, played by Stone and Collins, fall for his scheme as do most of the other citizens. However, the truth is learned, the Longstreets lose their money but finally win it back by betting it on a big football game between Rutgers and Princeton Universities. The show contains such hits as

BANK WILL SOON CLOSE SATURDAY, PRESIDENT SAYS

SAN FRANCISCO—Branches of Bank of America will go on a Monday through Friday schedule of operation, starting some time during the next few weeks, according to an announcement by President Carl F. Wente.

"The people of California," Wente said, "through the act of their duly elected representatives in passing a bill by almost unanimous vote, have indicated that they are now in favor of the closing of the banks of this state on Saturdays."

Various banking institutions in California have been observing Saturday closing for some time, Wente pointed out. Bank of America, however, has continued to operate all its branches on that day, consistently following its announced policy of providing its customers Saturday banking service until such time as the people, either directly or through their chosen representatives, determine that a change should be made.

The bank will discontinue Saturday banking service after a period of time designed to allow customers to make arrangements to harmonize with the new schedule.

Wente stated further, "study is being given to the banks schedule of hours on Monday through Friday, with special consideration to unusual conditions existing in any community."

CHEST X-RAY UNIT VISITS LAKE; WILL RE-SET TRUCKEE

"The Placer County Tuberculosis and Health Association deeply regrets the cancellations, last week, of three Chest X-ray Survey programs scheduled for Foresthill, Dutch Flat and Truckee. This was made necessary by a major breakdown of the mobile equipment which is rented from the California Tuberculosis and Health Association," Veta E. Owen, executive secretary for the Placer County group said.

"We hope the unit will be able to return here a little later to cover the areas missed," continued Mrs. Owen, "and we are working toward that end. Dates will be announced as soon as they are known."

The mobile unit visited Roseville, Lincoln and Lake Tahoe, where 3016 people took advantage of the opportunity to have their free chest x-ray taken. This service is made possible by the purchase of Christmas Seals.

Mrs. Clifford Hayes, Herb Perry and Jack Voltz of Penryn, Mrs. Ronald Gould of Newcastle and Mrs. Owen from Auburn spent a few days at Lake Tahoe last week. They combined business with pleasure and worked in conjunction with the local volunteers conducting the free chest x-ray survey in Kings Beach and Tahoe City. Two hundred and ninety-three films were taken. Most of those who took advantage of the service were food handlers.

BRONX BRIDGE

The Bronx-Whitestone Bridge at New York City, a suspension type completed in 1939, has a channel span of 2300 feet.

SPICES

Mace and nutmeg are native to the Molucca Islands, known for centuries as the Spice Islands.

AID TO BLIND IN NEVADA COUNTY UNDER AVERAGE

In Nevada County, 21 people received aid as needy blind during April, the California Taxpayers' Association said.

Aid per person to the needy blind averaged \$78.10 for the month, compared with the statewide average of \$85.77 per person and the nationwide average for this category of aid of \$53.71 per person for the month preceding.

Total aid to the blind in the county reached \$1640 for April. Statewide, this aid to both needy and partially self-supporting blind totaled \$1,008,603 for 11,739 people for the one month. Nationwide such aid reached \$5,234,214 for 98,380 people, one month earlier.

"California's proverbial generosity to the needy is clearly shown when aid to the needy blind, including the number of people re-

ceiving such aid per person, and total payments, are compared with national figures," the association pointed out.

WATER USERS AT BIG BEND FORM MUTUAL SYSTEM

SODA SPRINGS—Business and home owners of the Big Bend and Home Tract district along Highway 40 near Soda Springs have formed a water organization, is was announced this week by Glenn Parsons, owner of Trailsyde Lodge in the tract.

Recently the United States Forest Service informed the group that it could no longer provide water to the area. A meeting held in Roseville June 7 brought forth a unanimous agreement on the installation of a non-profit water system which will cost the area

around \$5,000 to install. The installation will include a 20,000 gallon tank and pipes to all cabins in both the Big Bend and Home Tract subdivisions. It is estimated that 25 cabins will be served through the system.

Parsons stated that the entire installation will be paid at its inception by an assessment on the various users and thereafter water will be a free commodity to those assuming the burden of the installation. Newcomers who might come into the area hereafter will be assessed accordingly.

Parsons, Mox Ammon, Bob Robinson, Louis Klumpp and Roy Garner were placed on the board of directors by the owners to be accommodated by the system. (c)

U.N. Stamp to Honor Universal Postal Union

The United Nations will salute the work of the Universal Postal Union with its second commemorative stamp issue of 1953. An envelope, bearing the U. N. emblem, shows against a world map the extent of UPU activities. The stamps, in two denominations, will be released on 12 June. The three cent stamp will appear in black and white and the five cent one in navy blue and white.

VEHICLE FEES UP AS WARREN SIGNS LEGISLATIVE ACT

SACRAMENTO—Changes in vehicle registration and weight fees and the driver's license fee are provided in the new state law enacted by the 1953 legislature to remedy critical deficiencies in the California highway system, according to A. A. Henderson, director of the department of motor vehicles.

An announcement by the department of motor vehicles states that the new fees become effective July 1, 1953, as provided in Assembly Bill 1237, which was signed by Governor Earl Warren on June 18.

The registration fee applicable to all vehicles subject to registration will be \$8.00.

The application fee for original or renewal driver's licenses, valid for four years, will be \$3.00.

Weight fees, payable on commercial vehicles, will be increased approximately one-third.

The department's announcement points out that the increases in the registration and driver's license fees also amount to one-third. The registration fee currently is \$6.00 and the driver's license fee is \$2.00.

SALMON BOXES

In the Pacific Mountain region of Alaska the annual timber cut is about 50,000,000 board feet, most of which is made into cases for shipping salmon.

IT'S WISE TO ADVERTISE!

PINE PRODUCTION FOR EARLY JUNE HAS GOOD GAIN

SAN FRANCISCO—For the year to date production of pine lumber is 14 per cent ahead of that a year ago, the Western Pine Association reported this week.

Production for the week ended June 6 was 72,216,000 board feet compared to 65,928,000 feet for the preceding week. The report was compiled from figures supplied by 111 mills and covers ponderosa, sugar and Idaho white pine and associated species.

For the week ended June 6, orders totaled 67,644,000 feet and shipments 71,186,000 feet, the association reported.

RURAL WOMEN IN NEVADA PLAN TAHOE OUTING

Plans are being completed for the third annual Rural Women's Summer Camp, sponsored by the Farm Bureau Women of Nevada. The camp, scheduled for July 8 to 11 at the 4-H Club campgrounds at Lake Tahoe, is open to all rural women.

The four day program of education, recreation and freedom from housework will be highlighted by a visit from Mrs. Albert W. Paulson, vice president of the Association of the American Farm Bureau, from Wilder, Idaho.

Mrs. Fay Whipple of Logandale, chairwoman of the Nevada Farm Bureau Women, said that a large number of campers is expected from all over Nevada and urged them to contact Mrs. Hughena Miller of Fallon who is arrangements chairwoman.

Regular feature of the summer camp is a forest tour conducted by the U. S. Forest Service, Ivan Sack, Toyabe supervisor in charge.

Excellent meals are served at the camp giving the ladies complete freedom from cooking and other household duties. The camp is conducted on a non-profit basis by the Farm Bureau Women.

TRUMPETER SWAN

The trumpeter swan formerly bred from Fort Yukon, Alaska, south and eastward as far as Wyoming and Nebraska.

ZEPHYR WATER CO. GETS SANCTION TO RAISE USERS' RATES

The Nevada Public Service Commission at Carson City has approved higher rates for water users served in the Lake Tahoe area by the Zephyr Cove Water Co.

The rates were not as high as the company requested. The firm has asked to charge \$96 a year and to place this sum on an annual basis. Instead, the commission ordered the following rates made effective:

For residents of Zephyr Cove and Marla Bay, \$40 for the May-October vacation season for the

first six outlets or less and \$4 for each additional outlet.

For residents of Zephyr Heights, \$50 for six outlets or less and \$5 for each additional outlet.

Each customer can be charged for one additional outlet for every four sprinkler heads.

For water users who reside in the area all year, the company can charge \$60 to residents of Zephyr Cove and Marla Bay and \$75 to those living in Zephyr Heights.

The new rates go into effect immediately.

*Discover for yourself why
good water makes better beer*

TRAVELERS ARE QUICK to notice that drinking waters, from place to place, have decidedly different flavors. It is only natural that some types of water will make a more refreshing, more pleasing beverage than others. In brewing beer, the nature of the water used is of the utmost importance, for only a few rare types of water will extract the more elusive, delicate flavors from premium hops and grains. Olympia's artesian water . . . obtained from natural subterranean wells beneath our own property . . . is recognized as one of those excellent types. "It's the Water" that gives Olympia Beer distinctive character, and it is the water, too, that enables us to make each bottle of Olympia taste as good today as the first Olympia brewed in 1896.

Visitors always welcome between
9:30 and 4:30 every day.
Olympia Brewing Company
Olympia, Washington, U. S. A.

TEMPERATURES RANGE UP TO 74 AT TAHOE CITY

TAHOE CITY—Balmy summer weather was the fare at Tahoe City during the week ending Monday, June 22, at 8 a.m. Daytime temperatures reached a high of 74 on the 18th, with the low for the week exactly at freezing—32 degrees—on June 20. Daily high and low readings were June 15th: 65, 35; 16th: 57, 37; 17th: 69, 39; 18th: 74, 42; 19th: 64, 44; 20th: 69, 32; 21st: 71, 33; 22nd: low, 34.

Only .21 of inch precipitation was recorded for June 16. Otherwise the days were clear.

On Monday morning the lake level was 6228.92 feet with 15 gates open at the outlet, according to A. E. Frodenberg, official observer.

MOSTLY PONDEROSA
In the forests of the Colorado Plateau, more than three-quarters of the trees found are ponderosa pine.

How to get top performance from your car

CHEVROLET SUPREME GASOLINE

You'll always get smooth, even performance from your car and have more enjoyable driving if you use Chevron Supreme Gasoline. That's because it delivers a correct balance of all 8 high-performance qualities needed to get the most from engines—quick starting, fast warm-up, smooth acceleration, economy mileage, full power, vapor-lock prevention, anti-knock, and area blending.

You can always get Chevron Supreme Gasoline at home or wherever you drive in the West. So keep your tanks filled and let Chevron Supreme give you top performance every mile you drive.

LEWIS FELLOWS SET FOR A CLASS IN SKI CONTESTS

TAHOE CITY—Lake Tahoe Ski Club is claiming signal recognition is due its champion B class skier, Lewis Fellows, 15 year old son of Mr. and Mrs. Ray Fellows of Carnelian Bay, who Sunday at the top of Sonora Pass summit made the best time on the hill out of an entry list of 69, sponsored by the Stockton Ski Club. Lewis' time was 1 minute 7.5 seconds for the 40 gate giant slalom course, giving him a total of 28 points this season in three meets.

Not only does he get his name inscribed on the Bob Poulsen memorial trophy but he also has acquired sufficient points to place him in A class competition next season—a rare honor for a skier of his years. This is the third year the Poulsen memorial award has been made. The first winner was Dick Buek of Donner Summit, the second year's winner being Dave Taylor, coach of Stanford University's ski team. The meet was open to all classes.

Among young Fellows' accomplishments this year was the gleaming of 114 points in junior competition in class B, gathered nine points for taking second in the junior national slalom at Brighton, Utah, made the fastest time behind Olympic skier Christian Pravda at Squaw Valley's giant slalom in April. Veteran skiers are predicting Olympic team honors for the young Lake Tahoe Ski Club racer.

His final meet of the season will be the 4th of July slalom to be held at Squaw Valley. (es)

FATHER'S DAY IS BIG OCCASION AT LAKE FOREST

LAKE FOREST—Sunday was a gala day for the Snyder clan of Lake Forest and their neighbors, the Pete Huegas. On that day, the Don Snyders, the A. A. Snyders, Bob Snyder and the Huegas joined in hosting a barbecue for 140 of their friends and neighbors, this being the third year the celebration has been held.

The chefs, Don and Bob Snyder and Pete Huega, barbecued three 50-pound lambs and the outdoor tables, set in the gardens of the Snyder's lake shore home, were gaily decorated with colorful snapdragons brought from Sacramento. The center piece was a beautiful cake made by Mrs. A. A. Snyder and fashioned in the form of a straw hat, with a flag bearing the inscription "To Dads" reminding the male parents it was their special day.

Out-of-town guests included Mrs. Don Snyder's parents, Mr. and Mrs. B. F. deGanna, her brother and sister-in-law, Mr. and Mrs. Victor deGanna, and her sister and family, Mr. and Mrs. Bud Schnell and son Michael, all of Stockton; Mrs. Pete Riola and son Pat from Sacramento; Mr. and Mrs. Chub Harvey, Roseburg, Ore.; Mr. and Mrs. Leonard Henry, Porterville; Mr. and Mrs. Julius Jacobson, Los Angeles; Mr. and Mrs. Murray Hart and daughter, Marilyn, San Francisco; Mr. and Mrs. Douglas Smith, Auburn; Mr. and Mrs. Floyd Smith, Fresno; Mrs. Nina Butterfield, Seattle; Mrs. Virginia Vaughn of Los Angeles. Accordion music was furnished throughout the afternoon by Pepe Gassiot, San Francisco and Squaw Valley. (es)

ALDRICH READY TO ENJOY TAHOE

TAHOE CITY—Since the Henry Aldrich family moved into their lake shore home a week ago, Aldrich has purchased for his two sons, George and Henry Jr., a new outboard fishing boat. It is an 18-foot motor boat, fully rigged for fishing excursions. Since the entire family of four expect to use and derive great pleasure from the new craft, they have decided on an appropriate name for it—"Four Fun." (ejv)

SHOE REPAIR by Experts

Good shoe repair requires expert workmanship and high quality materials. That is what you get at Truckee Shoe Shop; plus the saving you make on the reasonable low rates.

One of the most important factors in getting the most wear from your shoes is to make sure that the repair work is done as soon as it is needed. The cost will be less and you'll get a better job. Don't put off shoe repair!

TEEN AGER DANCE SERIES STARTED AT TAHOE HALL

TAHOE CITY—On Friday evening, the first of the Tahoe teen-agers' dances, scheduled here for the vacation season, was held in Community Hall with 35 young people present. It started at 8:30 p.m. and lasted until 11:30 with Mr. and Mrs. Max Porter and Mr. and Mrs. Bill Jenkinson as chaperones. As refreshments, candy bars and soda were sold in the hall.

Admission to these dances will be 50 cents each and proceeds will be used to pay for the new record player and records, which were on hand for the first dance.

Among rules laid down by the sponsors for all youngsters attending are the following:

After each pays admission, he or she is not to leave the hall except to go home.

Any person found to have been drinking anything other than soft drinks will not be allowed to attend the dance.

Any teen-ager who observes the rules, whether resident or not, shall be welcome.

Resident parents have agreed to take turns as chaperones and it was also agreed at the last Women's Club of Tahoe meeting that any club members who have the time should offer their services as chaperone. (ejv)

ASKS COURT TO END PARTNERSHIP

AUBURN—Mrs. Helen B. Myers of Kings Beach has filed suit for dissolution of partnership in a motel enterprise she owns with Julius and Vega Gold in the Brockway Vista area.

She also asks the court to appoint a receiver and to order an accounting of the business, in which she says she has been excluded from the management.

HOOKER OAK

The Sir Joseph Hooker Oak, in Bidwell Park near Chico, is 110 feet high, 28 feet in circumference and has a 150 foot spread.

SOUTH LAKERS O.K. BIG BOND FOR SCHOOL

LAKE VALLEY—The Lake Valley Unified School District, so long and ardently sought by south Tahoe residents, became a reality on June 18 when citizens of that area passed a bond issue for \$350,000 by the necessary two-thirds majority. The building, to accommodate classes from kindergarten through high school, will be built on 38 acres of land donated by the U. S. Forest Service at Al Tahoe.

Sketches and plans by architect William Hastrup of Fresno have been approved and construction will start in the near future. An outstanding feature of the new building will be a full-sized gymnasium.

The Lake Valley Unified School District has been recently college accredited and of the first class of high school students graduating this year, all plan to go on to universities.

Glenn Smith, formerly principal of the Lake Valley high school, becomes superintendent of the new unified school district. This fine, modern school is a welcome addition to the Lake Tahoe area and adds stature to the community. (es)

WHOLESALE LIQUOR SALES SET RECORD

SACRAMENTO—(CNS)—The state board of equalization Tuesday reported the biggest April tax return on wholesale distribution of alcoholic beverages since 1946, a total of \$1,479,936.

Of the total, \$1,123,452 came from hard liquor distribution, \$313,241 from beer, and \$43,243 from wine.

The excise tax from July through April of the current fiscal year has produced \$16,638,909 in state revenues, the board said.

Swanee's Letter

Tahoe City, June 21

Dear Tahoeites:
Guess it's high time I voiced my appreciation for the numerous letters and telephone calls welcoming me and The Letter in the Sun back once again. It's nice to know both of us were missed.

Among last week's well-wishers were my good friends, Bishop Noel Porter of Sacramento and the Harvey Hulls, former Tahoeites now residing in Sebastopol. Bishop Porter enclosed the latest information regarding services for the popular Chapel of the Pines near Tahoe Tavern. Opening services will be held Sunday, June 28, at 11 a.m. with Bishop Porter delivering the day's sermon. The organist will be Peter Gibson of the College of the Pacific. Thereafter services will be held each Sunday until over Labor Day at 8 a.m. and 11 a.m. The bishop will remain in residence at his lake shore home throughout the summer. During July the organist will be Carl N. Tamblin of St. Luke's Church in San Francisco and during August

Myron Roberts, organist of the University of Nebraska. During the latter part of July and early in August, two youth conferences will be conducted in St. Nicholas Hall at the rear of the Outdoor Chapel Grounds. Selected young people from all Episcopal churches in northern California will be in attendance. The kitchen of St. Hall has recently been enlarged under the direction of Martin Spitsen, Tahoe City contractor. Bishop Porter cordially invites people of all denominations to the Outdoor Chapel services, where every year the great demonstration of Christian Unity is again manifested.

Mrs. Leta Hull wrote that her Mode O'Day shop was enjoying marvelous patronage and that family was all busy but they hope to take off some time to come back to Tahoe to visit their many old friends here. Their son Al's daughter is to be married June 28 down there with a beautiful church service and reception to follow at their home. They still take the Sun to keep up with the news of the region which was so long their home. They send a cheery hello to old friends here.

Tahoe City last week lost a new resident who was just beginning to enjoy our real summer weather. He is Gwynne Nettler, employed by Bud Scott, who was notified that a government post was awaiting him elsewhere, just where he wasn't informed at this writing.

The many friends of Mrs. Bob Pomin of Tahoe City are wishing her the best of good luck on Tuesday when she undergoes surgery on her legs at Washoe Medical Center in Reno. She leaves tomorrow for the hospital and will remain for several days. Good luck, Vi, it will all be over by the time folks read this!

Recent visitors at their summer home in Timberland were Superior Judge and Mrs. Chester C. McDonald of Woodland. Other Timberland vacationers were Mr. and Mrs. Emil Kraft of Woodland and Melvin Lopes of San Leandro. Mr. and Mrs. Manuel Lopes, his parents, wrote recently from Portugal. They are enjoying a leisurely tour of Europe. Mr. and Mrs. Clymon Mitchell and children Darryl, Dean and Linda of Sutter enjoyed the weekend at the home of his brother and family, the Imon Mitchells of Sunnyside.

M. O. Johnston of Glendale arrived on Monday to enjoy a stay at his newly purchased home, Unaliyi, in the Sunnyside district. Also house guests are his son and family, Mr. and Mrs. Warren Johnston and two children, Kurt and Linda, of Glendale. In for the summer are the Albert Millers who purchased the Cabot Brown home in Tahoe Park. On Sunday evening they entertained the Bud Scotts at dinner at a Carnelian Bay resort. On Saturday night the Scotts entertained their neighbors, the Lewis Marstons, who summer at their lake shore home in the Sunnyside district.

Tahoe has claimed another steady citizen who calls herself "the woman who came to dinner." She is Mrs. Mary Chism who came in February to visit with Mrs. Ruth Droste for two nights. She has been here ever since, reluctant to leave, and will remain all summer to assist Mrs. Droste in the Tahoe Realty Company office. She is accompanied by her pet six-year-old dachshund, Putzi, who is her constant companion. Her husband is a construction engineer in Guam and the couple's home is at La Jolla.

Ring off for the week with a cheery adios to all. As ever, Swanee

YVONNE CHAUEAU, charming and talented songstress whose voice has been heard in the major light opera festivals of the nation, will make her first appearance in Sacramento at Sacramento Music Circus. She will be seen in the Jule Styne musical, High Button Shoes which plays in the gay circus tent theater from June 29th through July 5th.

BOB HOPE HEADS LIST FOR TAHOE GOLF TOURNEY

CAL-NEVA—Comedian Bob Hope heads the entry list for this weekend's Cal-Neve golf tournament for the Damon Runyon Cancer Fund at Lake Tahoe.

Tourney chairman Frank Chester reports that 272 had signed up by early this week. The list is so large that the tournament may have to be spread over three different courses. In fact Chester said "This will have to stop soon or we'll have them playing up and down the lake beaches too."

The tournament opens Friday with a special North vs. South team match and driving contest. The tourney actually consists of 36 holes medal play strung out over the Brockway and Tahoe City courses. The chairman said he may have to extend the field to the Glenbrook links too.

The fact that the Runyon cancer fund will benefit heavily from the event has drawn numerous celebrities from the fields of entertainment and golf. Hope, now at the lake, is an "assistant to the president" of the Runyon foundation. Walter Winchell heads the national organization. With Hope is his family, including his wife who is a snappy six-handicap golfer herself.

Bob Crosby, band leader and a brother of Bing, will on hand. Cinematress Mona Freeman will be the Queen of the tournament and will serve as official greeter. Her most recent screen role was in RKO's "Angel Face."

Also slated for an appearance at the tourney, sponsored by Sanford Adler and Cal-Neve Lodge, is Marilyn Maxwell, who co-starred with Hope in "Off Limits."

The cancer fund will benefit from the \$1.50 three-day admission ticket sales, the Calcutta pool, entry fees and prize money.

READ ALL THE ADS!

WOMEN'S CLUB MEET WAS HELD LAST THURSDAY

TAHOE CITY—A regular business meeting of the Women's Club of Tahoe was held Thursday, June 18, at Tahoe Inn with a one o'clock luncheon, attended by some 25 members. During the luncheon, the business meeting was conducted by the president, Mrs. Alma Guth, followed with committee reports.

Mrs. Pearl Snyder reported that the bazaar plans are shaping up nicely and the club should have many salable items by July 25, the date set for the bazaar. All outstanding objects for this project should be in to Mrs. Snyder by the next meeting, which is to be a business meeting July 2 with luncheon at Bacchi's Inn, Lake Forest.

Mrs. Jeannette Mitchell gave a report on highway conditions and stressed the fact of the wonderful cooperation local state men, along with the Marysville and Sacramento offices, are giving in trying to overcome problems on state highways in this area. Mrs. Mitchell also asked that as many women be present as possible to attend the joint meeting of the Placer County planning commission and Placer County supervisors at which time they should feel free to air any grievances with the proper authorities.

On June 23 there will be a food sale committee meeting at Mrs. Mitchell's home, at which plans will be made to follow through with several large food sales to be held in conjunction with the bazaar on July 25. Among the women volunteering to serve on the committee are Mesdames Della Goss, Gerda Kvistberg, Irene Le Pire, Pearl Snyder, Sara Hunter, Stella Watson, Marjorie Broyles, Carol Marvin. All funds from the food sales will go toward the building fund which the Women's Club of Tahoe has undertaken as their project, beginning this summer and continuing until they have enough to erect a suitable building that will be an asset to the club and the community.

Anyone interested and desirous of making donations of any type may contact any club member and suitable recognition will follow. Fund raising suggestions will be greatly appreciated.

Mrs. Louise Geier was appointed chairman of the Founder's Day luncheon and party, tentatively set for some time in August.

The meeting was drawn to a close by Mrs. Guth who read a paper composed by one of the members, Mrs. Laura Wilson, on "True Fellowship." The paper was of such an inspirational nature that the president asked the club to accept as the organization's theme. The suggestion was adopted unanimously, followed with a silent prayer for world peace and adjournment.

SUPERINTENDENT'S PAY
SACRAMENTO—(CNS)—The governor has signed SB 1917 by Senator Harold T. Johnson, increasing the salary of the Nevada County superintendent of schools from \$5,000 to \$6,000 per year.

During his term as president, William McKinley vetoed 42 bills.

PLACER TRAILS LAW HEARING SET TO JULY 6

AUBURN—A hearing scheduled before the Placer County superior court here Monday on the question of the roads and trails ordinance through mountains and wildlands was postponed until July 6. Four land owning companies are seeking to nullify a county ordinance declaring old roads and

trails through their properties to be public ways. The companies obtained a temporary injunction against enforcement and the hearing Monday was to determine whether the writ should be permanent.

The companies' attorneys asked for the time extension. District Attorney Al B. Broyer represents the county in the case. With him in court was Albert B. Johnson of Nevada City, member of the legal committee of the Sierra Club.

MANY MILLIONS IN ROAD JOBS

SACRAMENTO —(CNS)— The division of highways had 289 contracts worth \$159,387,200 under way as of June 1, Frank B. Durkee, director of public works, reported to Governor Earl Warren.

In his monthly report, the director said the division, during May, awarded 37 contracts totaling more than \$13 million.

Durkee also noted that traffic on the state's highways during May increased four per cent over that of May, 1952, and three and a half per cent over April of this year.

STATE'S BALANCE OFF \$63 MILLION

SACRAMENTO —(CNS)— California's cash balance in the state treasury was approximately \$63 million lower than at the close of business May 30 than it was at the same time a year ago, State Controller Robert Kirkwood reported Tuesday.

The balance was \$118,541,365 at last month's end and \$181,786,834 a year ago, Kirkwood's report indicated.

The controller explained that the cash balance does not represent a state surplus but is merely the unexpended balance in the treasury, which can be used for government operations.

MISSION DOLORES

The cornerstone of Mission Dolores was laid about April 25, 1782.

Minute Ministry

by Rev. Sidney C. Winston
(Pastor, Community Methodist Church at Truckee)

A grapevine hasn't much to say about what is done with its fruit; yet we with our higher responsibility are allowing many of our Christian fruits to be usurped by the world. We have won freedom of speech, freedom of the press and freedom of religion; yet we are frustrated by deception and lying vanities of the wicked. We have legalized or offered protection to the three worldly sins mentioned in the Holy Bible: the lust of the eyes, the lust of the flesh and the pride of life. Revenue from betting, flimsy divorce practices and alcoholic murder on the highways are a mockery to any people. To legalize an immorality offers a false premise of respectability, which a Christian community will not long endure. Is yours Christian? If not, it's time to wake up!

STORE HOURS 9 a.m. - 6 p.m.

Plan Trip East—

Mr. and Mrs. W. C. Smisek and Ed Meiss expect to leave by train for Detroit, Mich., Sunday where the local couple will continue east to New York and Meiss will take another route before returning home.

Rablins Here—

Mr. and Mrs. O. J. Rablin of Roseville are in Truckee for several weeks.

At Springs—

Mr. and Mrs. Ernest Johnson of Roseville have returned to Soda Springs for the season.

CAPITAL MAN AT LOCAL STATION

Sam Kahioa Jr., Sacramento, has resigned his position with the U. S. Engineers and is now associated with his wife, Mrs. Ora Kahioa, and his brother-in-law, Marion Jones, in the operation of the Truckee Resort Store and Service Station which they recently purchased. The three newcomers are well pleased with their new home and plan permanent residence here.

SISTERS SESSION

Summit Temple No. 79, Pythian Sisters, will meet at Odd Fellows Hall tonight at 8 o'clock. Mrs. Hazel Roberts will report on the recent Grand Temple sessions at Hoberg's.

Wilkie Here—

Mr. and Mrs. William Wilkie and son, Billy, are spending a few days here from their home at Tracy.

Returns from Utah—

Mrs. Rex Thomas returned Monday from Salt Lake City where she had gone to attend the funeral of her niece.

GIRLS STUDY FOR MERIT BADGES

Fifteen members of Girl Scout Troop No. 2, working for proficiency badges, hiked to the U. S. Forest Ranger Station on Monday when they studied Red Cross first aid, home defense, camp setting up and cooking. In addition, they are taking part in the safety program and will be presented with a badge on community service for their block work with the Wyethia Club. Block captains and members include Carol Ann Quilici, Anita Diaz, Jesse Rablin, Tura Ann Kaylor, Dorothea and Varian Frey, Rosalie and Nancy Kaspian, Linda Loynd, Susan Baysinger, Stephanie Firpo, Brownie Vicki Firpo, Cynthia Reynolds, Donna Barnes, Joan Stallard, Joyce Slate, Christie Lander, Shirley Goodpasture, Diana McGihon. The girls will watch smaller children playing and aid in correcting hazards.

From Auburn—

Robert Affleck of Auburn, who lived here until 1916, has returned to Truckee and is employed at Osburn's Buick Garage.

BRIDAL MOTIF IS FEATURED DURING MEET OF WYETHIA

Sixty-eight members and guests attended the meeting of the Wyethia Club June 19 at which Mrs. Fred Pedley presided.

Mrs. C. B. White and Mrs. Elizabeth McKay, brides of 50 years ago, cut the tiered bride and groom cakes during the reception which followed the revue of bridal gowns of past years. A small bouquet was given each one entering by members of the receiving line. White mingled with pastel shades in the gowns worn by those taking part in the program. The altar, with appointments and the white and green decor, made the effective setting.

Those participating and not listed in last week's Sierra Sun story of the event included:

Mrs. G. W. Mortimer of Tahoe City, who modeled the white gown of Mrs. John Drake, who was married in Illinois before the turn of the century. Mrs. McKay wore her blue wedding gown as it was at her marriage in 1902. Mrs. Robert Bick, a bride of 1915, followed in her ensemble of white crepe, lace veil and carried a prayer book.

An embroidered dress and veil, shown by Mrs. A. Mahne, typified the style of 1925. Mrs. Pedley also carried a prayer book for her wedding in 1937 and wore a pink lace gown with matching veil. Mrs. Cliff Ellis modeled a satin gown and floor length veil belonging to Mrs. Rosella May. Mrs. Glenn Lee modeled Mrs. Reg Smart's satin gown and veil, carrying an orchid bouquet. Mrs. Carrol Maynard had also chosen the traditional white satin and veil for her marriage in 1944.

Another bride of that year was Mrs. John Wardman, whose cream satin and lace outfit was modeled by Mrs. Cliff Ellis. Mrs. Beverly Davis showed the 1950 gown of Mrs. Francis Torri. Mrs. M. L. Ross, married two years ago, had on her lace and tulle dress with finger tip veil.

Mrs. William Frey, the most recent bride, was the last of the models, completing the fashion trend of more than half a century in again wearing her embroidered dress, finger tip veil and carrying a prayer book.

Added to the list of hostesses, published last week, are Mrs. Patricia Kemp and Mrs. George Kaspian.

MEET CANCELLED

The June 26 northern district summer conference of the Federated Women's Clubs which was to have been held here has been cancelled. Mrs. Fred Pedley announced this week.

Smart's Birthdate—

Reg Smart observed his birthdate Tuesday, June 23.

Works at Merc—

Mrs. Martin Sturcke is currently employed at Truckee Mercantile.

Colfaxers Here—

Mr. and Mrs. Maurice Franzini and Mrs. B. J. Riordan, all of Colfax, were business visitors here Monday. All are former Truckee residents.

Wedding Anniversary—

Mr. and Mrs. E. A. Parker Sunday observed their wedding anniversary with a family dinner.

Williams Stop—

Mr. and Mrs. Henry G. Williams of Sacramento greeted friends and former neighbors here yesterday en route to their home after a visit into Nevada.

Newsham Guests—

Mr. and Mrs. Louis Bain and children of San Francisco were weekend visitors of Mr. and Mrs. Howard Newsham. Darlene, daughter of the Bain family, is remaining at the Newsham home during the summer vacation.

Recuperating—

Mrs. Robert Pomin of Tahoe City is recuperating satisfactorily following an operation in a Reno hospital Monday.

Back for Summer—

Mrs. David Campbell of Sacramento have returned here for the summer.

SWIMMING POOL AT RESORT OPEN

Mrs. Clifford Cason yesterday announced the opening of the swimming pool at Truckee Resort, one and a half miles west of here on Highway 40. There is no charge for swimming and everyone is invited to enjoy the pool.

MAX FACTOR ends your search for the perfect make-up!

Creme Puff

Creamy make-up base and powder all in one... applied with a puff! A complete make-up in a purse-slim compact.

You'll love Max Factor's new make-up idea! Creme Puff smooths on with a puff like powder... stays on like cream... is softer, more flattering than either. And it's spill proof!

Creme Puff actually reflects light... seems to erase tiny imperfections. Won't streak, smear or turn orangey. You never look "made up." End your search with Creme Puff!

\$1.25
plus tax

Carry Creme Puff everywhere in its hinged mirror compact.

Choose from these 5 radiant shades:

- TRULY FAIR - for a light, pink and white skin.
- TEMPTING TOUCH - for a creamy, ivory skin.
- CANDLE GLOW - for a medium - or ruddy - skin.
- GAY WHISPER - for an olive skin.
- SUN FROLIC - for a suntanned or very deep olive skin.

Tarzan

by EDGAR RICE BURROUGHS

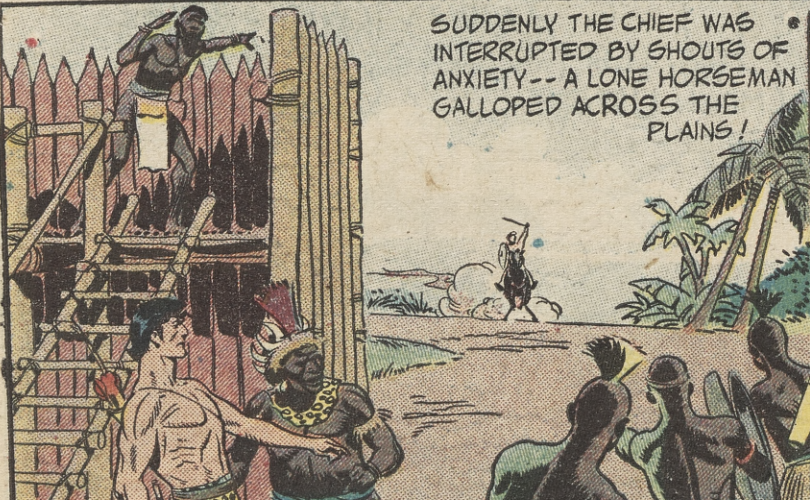

HOPING TO LEARN ABOUT THE MYSTERIOUS ATTACKERS OF A DISTANT SETTLEMENT, TARZAN APPROACHED THE FRIENDLY VILLAGE OF CHIEF WATAMBA--WHEN, SURPRISINGLY, HE WAS GRAZED BY AN ARROW!

THE APE-MAN KNEW HE MUST NOT HESITATE BEFORE THESE DISTURBED NATIVES, AND THUS CONTINUED TOWARD THE STOCKADE. "OPEN!" HE SHOUTED. "I COME IN PEACE, TO SEE YOUR CHIEF."

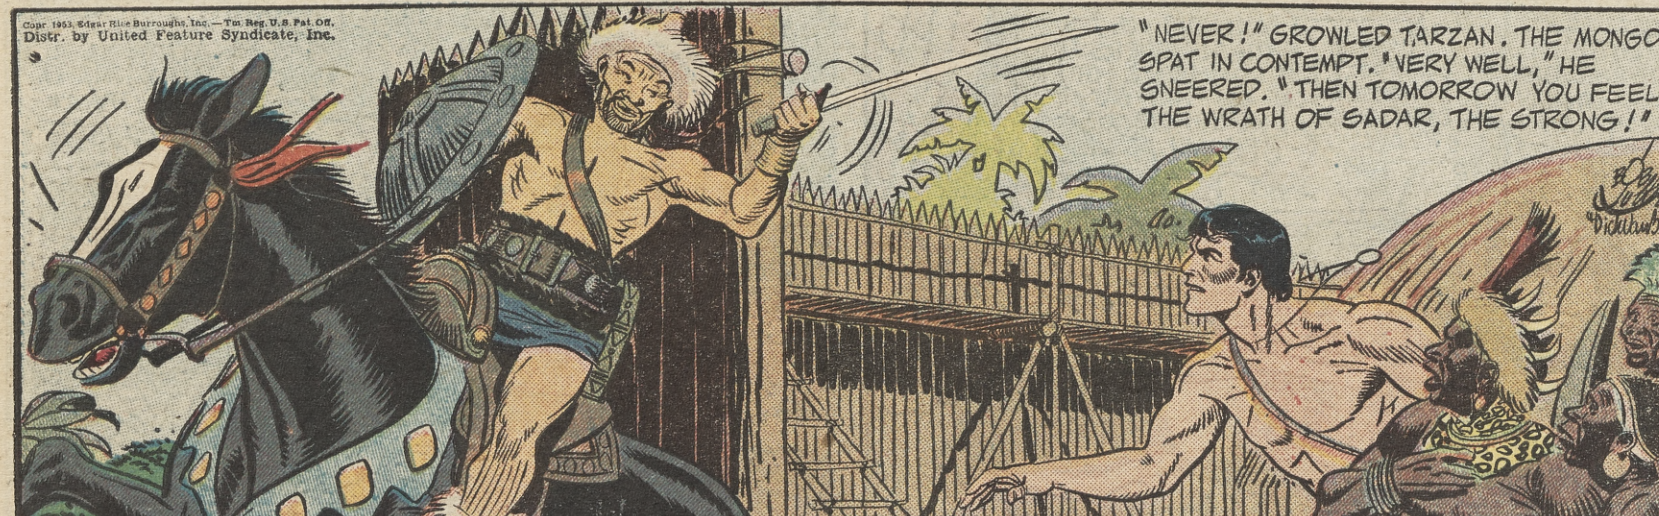

PRESENTLY WATAMBA CALLED OFF HIS MEN. "FORGIVE, BWANA, BUT MY PEOPLE ARE FEARFUL. THEY DREAD AN ARMY OF MARAUDING DEVILS--"

SUDDENLY THE CHIEF WAS INTERRUPTED BY SHOUTS OF ANXIETY--A LONE HORSEMAN GALLOPED ACROSS THE PLAINS!

"THIS VILLAGE IS NEXT ON OUR LIST," HE BELLOWED. "YOU MAY JOIN US WITHOUT A STRUGGLE, OR--"

"NEVER!" GROWLED TARZAN. THE MONGOL SPAT IN CONTEMPT. "VERY WELL," HE SNEERED. "THEN TOMORROW YOU FEEL THE WRATH OF SADAR, THE STRONG!"

ABBIE and SLATS

by RAEURN VAN BUREN

WOULD THAT I (SIGH) WERE BEING ANOINTED FOR AN AUDIENCE WITH THE SILENT ONE... YOU ARE A VERY FORTUNATE GIRL!

TELL ME, GIRLS...WHAT'S THE SILENT ONE SO QUIET ABOUT?

THAT IS ONE OF THE DEEPEST SECRETS IN ALL OF OUR LAND OF KAPORA...BUT TONIGHT... YOU SHALL FIND OUT!!

WELL, WHAT DOES SHUT-MY-MOUTH LOOK LIKE?

NONE OF US HAS EVER BEEN PRIVILEGED TO GAZE ON HIS ROYAL FEATURES... BUT IT IS WHISPERED ABOUT THE CASTLE, HIS IS A FACE TO CONJURE WITH!

THAT COULD MEAN ANYTHING. O. K., GIRLS, LEAD ME ON TO THE (CHOKE) SILENT ONE!

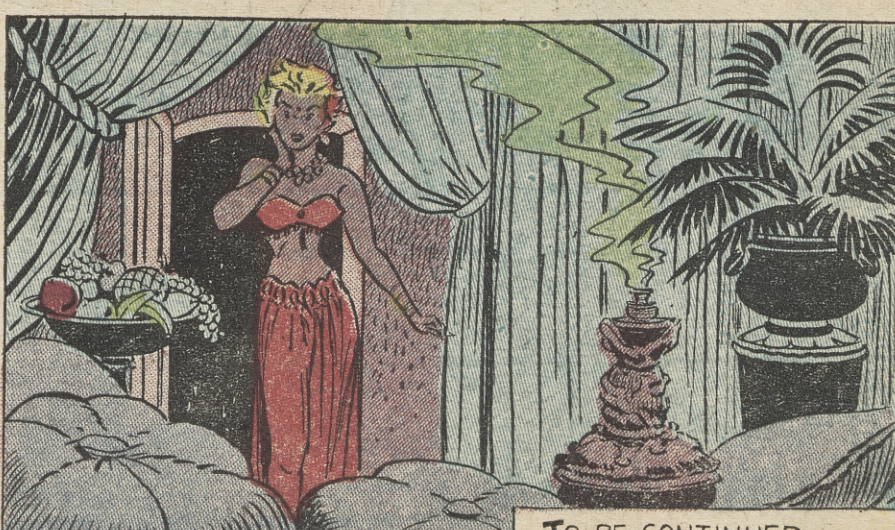

HERE WE MUST LEAVE YOU... FOR (GASP) NONE BUT A CHOSEN ONE MIGHT ENTER!

WELL... WHAT HAVE I GOT TO LOSE?

IT'S SWEET OF YOU TO TAKE ME IN THE WOODS TO LOOK FOR TRAILING ARBUTUS FOR MY "WILD FLOWER FINDER'S CLUB"!

AND MAYBE WE CAN LOSE JUGHEAD! HE'LL BE SOME FUNGLIS IN THE WOODS!

HEY, ARCH! WHAT ARE WE LOOKIN' FOR?

TRAILING ARBUTUS!

WELL, I DON'T KNOW THIS GUY ARBUTUS BUT I'LL HELP YOU TRAIL HIM!

LOOK! I FOUND SOME WILD FLOWERS FOR YOU!

OH, ARCHIE, YOU SHOULDN'T HAVE PICKED THEM! IT'S AGAINST THE LAW HERE!

HEY, ARCH! LOOK WHO I FOUND! THE CONSERVATION OFFICE!

ULP!

WHAT IS IT YOU'RE LOOKING FOR?

L...LOOKING FOR? ER...AH... TOADSTOOLS! YEAH, THAT'S IT! TOADSTOOLS!

TOADSTOOLS? WHAT DO YOU WANT TOADSTOOLS FOR?

OH, WE RAISE TOADS... AND IT SAVES BUILDING STOOLS FOR THEM TO SIT ON!

WELL... BE SEEING YOU!

HEY! WATCH OUT!

RIGHT IN A BUNCH OF TOADSTOOLS!

SAY! THESE FLOWERS HE PICKED! WE'VE BEEN TRYING TO GET RID OF THEM! THEY'RE POISON!

HERE, ARCH! I PICKED YOU SOME WILD FLOWERS!
